HIERARCHY NUMBERS 1.X.2.2.1.1 AND 1.X.2.2.1.4			
SUGGESTED CHANGE			
<p>In MIL-STD-2525B, Figure A-6 Air Track (Missile In Flight), page 77:</p> <ol style="list-style-type: none"> 1. Change title for hierarchy number 1.X.2.2.1.1 from "SURFACE/LAND LAUNCHED MISSILE" to "SURFACE LAUNCHED MISSILE". Deleting "LAND" from the title will remove ambiguity between sea and land launched missiles. 2. Change title for hierarchy number 1.X.2.2.1.4 from "LAND ATTACK MISSILE" to "CRUISE MISSILE". This change is for clarification that will provide a greater level of granularity. <p>Proposed changes to hierarchy titles will be more consistent with MIL-STD-2525B. The proposed changes will also affect Tables A-V (page 54) and A-XII (pages 108-109).</p>
